

MPC15-20

Make every move more efficient.

Tackle heavier loads with greater efficiency while keeping operations moving smoothly through narrow aisles, busy docks and retail backrooms.

1. POWERED FUNCTIONS

Powered travel, lift and lower help operators complete tasks faster with less physical effort

2. LITHIUM-ION POWER

Maintenance-free lithium-ion battery technology supports efficient, lower-maintenance operation

3. CONFIDENT CONTROL

Built-in emergency reverse helps support operator confidence in tight work areas

4. STABILITY

Optional caster wheels help improve maneuverability, stability and load control

MORE CAPACITY

Up to 2,000 kg capacity in a compact footprint

FASTER THROUGHPUT

Powered handling helps move product efficiently across everyday applications

LOWER OWNERSHIP COST

Brushless drive motor and maintenance-free powertrain components help reduce service needs

GALVANISED OPTION

Corrosion-resistant configuration supports food, beverage and harsh environments.
