SWB = Short wheel base; LWB = Long wheel base RL = Rated load

Short or long wheelbase is for double reach only. LWB for double reach masts 278" and below
Static with rated load and max. wt. battery
Includes integral sideshift, subtract 1" for without sideshift
Travel speed is reduced to 6.0mph for loads 2500lbs and greater in the forks leading direction.
Optional with Yale Power Key

NOTE: Performance specifications / ratings are for truck equipped as described under Standard Features.

Circled truck dimensions correspond to the line numbers in the General Specifications chart. Dimensions are listed in inches (millimeters).

SWB = Short wheel base; LWB = Long wheel base RL = Rated load

Short or long wheelbase is for double reach only. LWB for double reach masts 278" and below
Static with rated load and max. wt. battery
Includes integral sideshift, subtract 1" for without sideshift
Travel speed is reduced to 6.0mph for loads 2500lbs and greater in the forks leading direction.
Optional with Yale Power Key

NOTE: Performance specifications / ratings are for truck equipped as described under Standard Features.

\* Doors are intended to protect the operator from objects that may enter the operator's compartment but they may also slow the operator's egress in emergency situations. A review of the forklift's intended environment should be conducted before selecting a door as optional equipment.

# About Yale

Yale Lift Truck Technologies leverages over a century of material handling experience and substantial investment in innovation to bring the most advanced technology-driven lift truck solutions to market. The company offers a full line of award-winning lift trucks, including reach trucks, order pickers, turret trucks, pallet jacks and trucks, pallet stackers, tow tractors and counterbalanced forklifts, as well as powerful operator assist solutions, proven robotics and a wide range of power sources to help customers adapt to today's demanding supply chain. Yale and its independent dealer network support these solutions with comprehensive after-sales service, parts, financing and training.
